Executive Summary

Executive Summary

- IFB #26-033 issued by the City of Miramar for Unarmed Security Guard Services, dated June 4, 2026.
- Bids due July 2, 2026 at 2:00 PM EST; all submissions must be made via Demandstar.com.
- Solicitation package includes General Terms & Conditions, Specific Terms, Scope of Services, and Forms/Affidavits (64 pages total).
- Key procurement controls include a Cone of Silence, 180-day bid hold, evaluation and award procedures, and required insurance/performance bond.

Main Topic

- Procurement of unarmed security guard services to serve multiple City locations per the Scope of Services.
- Establishment of a contract(s) defining term, method of award, payment, monitoring, and compliance requirements.
- Detailed operational expectations covering personnel, uniforms, equipment, replacement procedures, and confidentiality.

Objectives

- Select qualified vendor(s) to provide reliable, compliant unarmed security guard coverage across listed City facilities.
- Ensure vendors meet minimum qualifications, insurance, bonding, and contractual obligations.
- Provide clear submission and evaluation criteria to enable fair, competitive award(s).

Important Points

- All bids must be submitted electronically via Demandstar; no personal, carrier, fax, or late submissions accepted.
- Required bid elements: notarized forms as required, authorized officer signature, and cover page details (bidder name, solicitation number, due date/time, title).
- Failure to obtain the solicitation from Procurement or Demandstar risks missing addenda and may render a bid non-responsive.
- Solicitation contains sections on insurance, performance bond, pre-bid conference, subcontractor listing, compliance with laws, and appeal rights.

Requirements / Deliverables

- Provide trained unarmed security personnel according to scope and location schedule, with required uniforms and equipment.

- Maintain required insurance and performance bond as specified; submit all required forms and affidavits.
- Meet key personnel qualifications and provide procedures for personnel replacement and contractor monitoring.
- Comply with all federal, state, county, and city laws, confidentiality requirements, and reporting/acceptance processes.

Important Insights

- Mandatory electronic submission via Demandstar is strict—technical delays are not the City’s responsibility.
- Bids remain open 180 days; include all requested cover information to avoid being declared non-responsive.
- Registration with Demandstar is optional for obtaining the package, but submission must be through Demandstar.
- Review Sections 2 and 3 carefully (timetable, term, award method, insurance, scope, locations, special requirements) to ensure compliance.
